

Module 13(Activity 6):-

P R I O * R * * I * T * Y * * *

Q U E * * * U * E

letta = insert

* = remove max element.

P R I O * → remove max (which is R)

P I O R * → remove max (R)

P I O * → remove (P)

I O I * → remove (O)

I I T * → remove (T)

I I Y * * * → remove all

Q U E * → remove (U)

Q E * * → remove (Q & E)

U * → remove (U)

E → so, remaining is E //
